

King's School, Canterbury Register 1660-1749

Index

For boys who entered the School between 1660 and 1749, there is no original information beyond the lists of King's Scholars. These are in the 'Treasurers' Books in the Canterbury Cathedral Archives. Commoners were not recorded, but some can be identified from other sources.

Spelling: names often appear in several versions in the 'Treasurers' Books and elsewhere. An attempt at standardisation has been made in this register. Those who wish to check variant spellings are advised to consult the 'Treasurers' Books.

For more information on these boys, contact the Archivist: pgh@kings-school.co.uk.
