## Nursery Fees Schedule

2024/2025

### Notes

- There are three terms in each academic year, commencing September, January, and April.
- We are open 32 weeks of the year, term time only and offer a weekly maximum of 15 hours Fee Early Education Entitlement to children aged 2 years 8 months to 4 years old in the Nursery.
- We offer a morning, afternoon or a full day place and the funding may be claimed to a maximum of 3 hours per morning session.
- We are required by Kent County Council to inform you that we are unable to deliver the full free entitlement of 38 weeks a year, due to the constraints of our term dates. You will, therefore, only be able to access the free provision for a total of 32 weeks each academic year.
- The nursery opens from 8.00am, starting at 8.30am for the morning and full day sessions. The afternoon sessions start at 1.00pm.
- The morning sessions finish at 1.00pm and the full day and afternoon sessions finish at 3.30pm.
- Fees are inclusive of meals for morning and full day sessions, and all textbooks, stationery and compulsory activities.
- Other Extras, such as Late Club and Twilights, will be added separately onto your fees account in arrears.
- Sessions/Days can be added at any stage, if staffing is available to meet any requests.
- To reduce sessions, or to give notice, we require a full terms written notice. For example if you wish to withdraw your child with effect from the start of the Autumn term (ie the start of an academic year), you will need to tell us in writing that you wish to withdraw your child on or before the 1st day of the proceeding Summer term. Please refer to the School's terms and conditions.
